POSITION

- Full Professor of *Statistics for the social sciences* (Italian code and name of the field: SECS-S/05 – *Statistica sociale*), University of Padova (since 27 December 2018).

PREVIOUS POSITIONS

- Associate Professor of *Statistics for the social sciences* (Italian code and name of the field: SECS-S/05 – *Statistica sociale*), Facoltà di *Scienze politiche* [Political Studies] (2005-2011), Dipartimento FISPPA (2012-2018), University of Padova.
- 2005: Lecturer in *Political Studies* (Italian code and name of the field: SPS/04 – *Scienza politica*), University of Padova (03 Jan 2005 – 31 Mar 2005).
- 2003-04: Research Assistant at the Department of *Scienze economiche e statistiche* [Economics and Statistical Sciences], University of Trieste (01.06.2003 – 30.04.2004).
- 2000-02: Post-doctoral Research Assistant at the Department of *Studi storici e politici* [Historical and Political Studies], University of Padova. Research Project *The electoral abstentionism in Italy from the transition period to nowadays*.
- 2000-2005: Non-permanent teaching positions at the University for Foreigners of Perugia, Ca' Foscari University of Venice, University of Trieste – Pordenone, and University of Padova.

RESEARCH INTERESTS

- Statistical analysis of textual data (*quantitative linguistics, text mining, text clustering, authorship attribution, diachronic corpora, chronological textual data, content analysis*);
- data collection tools in social research (*question wording, survey design, non-sampling errors*);
- measures and statistical methods for evaluation and assessment of university systems;
- electoral data, political communication, public discourses.

CURRENT TEACHING ACTIVITIES (a.y. 2018/2019)

- *Metodi statistici di analisi dei testi* [Statistical methods in text analysis], 6 CFU, Master Degree in *Strategie di comunicazione* [Communication studies], University of Padova (a.y. 2008-09 – 2010-11; 2012-13 to current), course held in Italian;
- *Tecniche di indagine sociale* [Social Survey Methods], 9 CFU, Bachelor Degree in *Comunicazione* [Communication studies], University of Padova (a.y. 2008-09 – 2010-11; 2012-13 to current), course held in Italian;
- *Social Research Methods*, 6 CFU, Master degree in *Human Rights and Multi-Level Governance*, University of Padova (a.y. 2014-15 – 2016-17; a.a. 2018-19), course held in English;
- *Modulo di Metodologia della ricerca sociale* [course in Social research methods], Doctorate Degree in *Sociologia* [Sociology] / Ph.D. School in *Scienze sociali* [Social sciences], University of Padova (a.y. 2002-03 to current), courses held in Italian and English.

TUTORSHIP

- Ph.D. candidate in *Scienze sociali* [Social sciences]: Dott.ssa Valentina Rizzoli, University of Padova, in progress.

- Ph.D. candidate in *Scienze sociali* [Social sciences]: Dott. Renato Ponciano (XXX ciclo), *Media representations of socio-environmental conflicts in Guatemala: The case of the hydroelectric expansion*, University of Padova (2018);
- Research fellow grant (PRAT Anno: 2014 - prot. CPDA145940) *Tracing the History of Words. A Portrait of a Discipline Through Analyses of Keyword Counts in Large Corpora of Scientific Literature*
- Research fellow grant: *Problemi di wording e question wording negli sms. L'utilizzo del telefono cellulare come strumento di comunicazione e rilevazione di informazioni* [Wording and questions wording problems in sms. Mobile as a communication and data collection tool] (2010-2011);
- Ph.D. thesis in *Sociology*: Dott. Michele Cocco. Titolo: *Attori politici e ricerche socio-politiche. Pratiche d'uso e rappresentazioni delle ricerche commissionate dai decisori nel campo della politica* [Political actors, political-social polls and surveys. Representation an practice of the surveys sponsored by the decision makers of the political arena], University of Padova (2009);
- Two research grants of the European Social Fund (ESF – Italian FSE): *Nuove modalità di comunicazione dell'innovazione per il trasferimento tecnologico* [New modes for communicating innovation and transfer of technology (TOT)] e *Metodologie e tecniche di data e text mining a supporto dei servizi di business intelligence* [Data mining and text mining methods and techniques to support business intelligence services] (2010);
- Six research grants in the frame of the bilateral agreement between University of Padova – Corecom del Veneto [Local Communication Authority of the Venetian Region] for *Monitoraggio delle emittenti locali del Veneto* [Monitoring activities of the local Venetian TV broadcasting] and to support the activities of *Conciliazione* [Reconciliation];
- Over one hundred thesis at the Bachelor Degree and Master Degree level.

ABROAD

- 4-9 December 2017: Visiting scholar at *Department of Italian Language and Literature – National and Kapodistrian University of Athens* (Ref.: George K. Mikros);
- 21-27 April 2014: Teaching staff mobility - *Fach Computerlinguistik und Digital Humanities*, University of Trier, Germany (Ref.: Reinhard Köhler);
- 7-19 May 2012: Teaching staff mobility - *Fach Linguistische Datenverarbeitung*, University of Trier, Germany (Ref.: Reinhard Köhler);
- 26 March – 6 April 2012: Visiting scholar at the *Institute on Communication and Inclusion*, Syracuse University, NY (Ref.: Christine Ashby);
- April-May 1999: Research activity at the Department of *Statistics* as visiting Ph.D. student, University of Glasgow, UK (Ref.: Fiona J. Tweedie).

LEADING ROLES IN RESEARCH PROJECTS

- 2017-current: Secondary Proposer (ref. for Italy) and Member of the Management Committee of the COST Action CA16204, *Distant Reading for European Literary History* (Main Proposer: Christof Schöch, University of Trier);
- 2015-2017: Principal Investigator of the Project funded by the University of Padova *Tracing the History of Words. A Portrait of a Discipline Through Analyses of Keyword Counts in Large Corpora of Scientific Literature* (PRAT CPDA145940);
- 2007-current: Co-promoter and founder of the GIAT – *Gruppo Interdisciplinare per l'Analisi dei Testi* [Interdisciplinary Text Analysis Group], an interdisciplinary network of researchers focussing on the epistemological, methodological and practical aspects of text analysis (www.giat.org);
- 2010-2012: Director of the Research Unit *Norma e prassi della valutazione universitaria* [Norms and practice for the evaluation of university systems] (University of Padova) of the National Scientific Research Programme PRIN2008 *Misure, modelli statistici e indicatori per la valutazione del Sistema Universitario* [Measures, statistical models and indicators for the Evaluation of University Systems], Principal Investigator: Vincenza Capursi (University of Palermo);
- 2005-07: Director and editor (with Michele A. Cortelazzo) of the Project: *Messaggi dal Colle. I discorsi di fine anno dei Presidenti della Repubblica Italiana 1949-2005* [Messages from the Hill. The End-of-Year Messages of the Presidents of the Italian Republic 1949-2005];

- 2004-06: Research director of the *First survey on professional profiles of the graduates in Communication studies of the University of Padova*, promoted by the headmaster of the course.
- 2001-02: Research director of the *First Survey on the Ph.D. Schools of the University of Padova* sponsored by the Nucleo di Valutazione [Evaluation Unit] of the University of Padova (President: Pierantonio Bellini, University of Padova).

OTHER RESEARCH ACTIVITIES

- 2016-current: Member of the research group of the National Scientific Research Programme (PRIN 2015) *Social representations of violence against women: femicide in Italy* (Principal Investigator: Pina Lalli, University of Bologna "Alma Mater");
- 2016-current: Member of the research group ReSTI – *Religions, Spiritualities, Traditions, Inquiries*, Department FISPPA, Sociology division.
- 2013-2015: Member of the research group of the Project funded by the University of Padova *Scientific diaspora as a resource* (Principal Investigator: Chantal Saint-Blancat, University of Padova);
- 2009-2013: Member of the research group of the Project *The addresses of the Presidents of the Confederation of Italian Industries (Confindustria) 1945-2009*, (Principal Investigators: Michele A. Cortelazzo and Francesca Gambarotto, University of Padova);
- 2008-2010: Member of the research group of the Project *sms4science*, international network promoted by the *Centre de Traitement Automatique du Langage (CENTAL)* of the Université catholique de Louvain;
- 2006-07: Member of the research group of the National Scientific Research Programme (PRIN 2005) *Measurement awareness: the use of indicators between expectations and opportunities* (Principal Investigator: Vincenza Capursi, University of Palermo);
- 2005-06: Member of the research group of the Project funded by the University of Padova *EASIEST - Autistic Expression: an Interdisciplinary Study based on Statistical Analysis of Textual Data* (Principal Investigator: Lorenzo Bernardi, University of Padova).
- 2004: Member of the research group of the National Scientific Research Programme (PRIN 2003) *E-citizenship: ICTs, participation and governance transformations between local and global* (Principal Investigator: Mauro Calise, University of Napoli "Federico II").
- 2004: Member of the research group of the Young researchers Programme *European Union and multi-level governance in the knowledge society. An application of content and network analysis* (Principal Investigator: Giorgia Nesti, University of Padova)
- 2003: Member of the research group of the Young researchers Programme *From the communicative dimension of transnational social networks to a critical analysis of policy processes in the global governance of communication. World Summit on the Information Society and beyond* (Principal Investigator: Claudia Padovani, University of Padova)
- 2000-02: Statistical and methodological consultant for the Guggenheim research project *Narratives of Empire* (Principal Investigator: Alberto Lena, University of Salamanca).
- 2001-02: Member of the research group of the Young researchers Programme *Universities as actors of local development policies* (P.I. Francesca Gelli, University of Padova);
- 2003-04: Research assistant of the National Scientific Research Programme (PRIN 2002) *Metodi statistici per l'integrazione di dati da fonti diverse* [Statistical methods for merging data sources] (Principal Investigator: Alberto Zuliani, University of Rome «La Sapienza»);
- 2000-01: Statistical consultant for the research group of the National Scientific Research Programme (Murst40%) *Vantaggi competitivi dinamici e apprendimento collettivo nelle economie locali: aree di specializzazione e aree ad elevata diversificazione produttiva a confronto* [Dynamic competitive benefits and collective learning in local economies: comparing specialized areas and highly-differentiated areas] (Principal Investigator: Francesca Gambarotto, University of Padova);
- 1999-01: Statistical consultant for the research group *Religious and moral pluralism in Italy and in Europe* (Local co-ordinator: Vincenzo Pace, University of Padova);
- 1997-99: Statistical consultant for the research group CNR *Analysis of the Italian electoral abstentionism* (Principal Investigator: Ornello Vitali, University of Rome «La Sapienza»).

OTHER ACTIVITIES

- 2012 Teacher of the courses in *Institutional writing* for the staff of the Province of Trento – TSM (Trento School of Management), manager: Maggioli – Divisione formazione e consulenza. First level course in *Effective writing*;
- 2003: Teacher of the courses in *Valutazione della Qualità in ambito sanitario* [Quality assurance in health systems], manager: Emme&Erre (Padova);
- 2000: Statistical consultant for IRES – Venice, research project: *Electoral behaviour in Veneto* (1995-2000);
- 1996-98: Statistical consultant for POSTER S.r.l. – Vicenza, to conduct the *First survey on professional profiles of the graduates in political studies* – Faculty of Political studies of the University of Padova (co-ordinator: Giuseppe Gangemi, University of Padova).

MANAGEMENT OF RECENT SCIENTIFIC EVENTS (2013-2018)

- 2018-19: Member of the Program Committee and Referee of the VII Conference of the Associazione Italiana Informatica Umanistica e Culture Digitali [Italian association for digital humanities] (AIUCD) *Pedagogy, teaching, and research in the age of Digital Humanities* (Udine 23-25 January 2019);
- 2018: Chair of the Program Committee of *Qualico2018* – Quantitative Linguistics Conference organized by International Quantitative Linguistics Association (IQLA), Wroclaw 5-8 July 2018;
- 2018: Member of the steering, reviewing and scientific Committees of *JADT2018*: 14th International Conference on the Statistical Analysis of Textual Data, Rome, 12-15 June 2018;
- 2017: Director of the third edition of the International IQLA-GIAT Summer School in *Quantitative analysis of textual data* (Padova, 4-8 September 2017);
- 2016: Member of the Program Committee and referee of *Qualico 2016* – Quantitative Linguistics Conference organized by International Quantitative Linguistics Association (IQLA), Trier 24-28 August 2016;
- 2015: Director of the second edition of the International IQLA-GIAT Summer School in *Quantitative analysis of textual data* (Padova, 21-25 September 2015);
- 2015: Member of the Local Organizing Committee of the *Giornata in onore di Lorenzo Bernardi* [A day in honour of Lorenzo Bernardi] (Padova, 15 May 2015);
- 2015-current: Member of the Scientific Board of the International School in Analysis of textual data and *text mining* (ADT-TM), Dip. MEMOTEF – University of Rome “La Sapienza”;
- 2014-2015: Member of the Local Organizing Committee of the Conference *Statistics and Demography: the legacy of Corrado Gini* of the *Italian Statistical Society* (Treviso, 9-11 September 2015);
- 2013-2014: Member of the Scientific Program Committee of the *47th Scientific Meeting of the Italian Statistical Society* – SIS2014 (Cagliari, 11-12 June 2014);
- 2013: Director of the first edition of the International IQLA-GIAT Summer School in *Quantitative analysis of textual data* (Padova, 16-20 September 2013);

SELECTED RECENT CONFERENCES

- Les Diablerets (Svizzera), 22-24 October 2018, Bilingual seminar of the PhD School CUSO 2018 (Computer Science and Linguistics), *Current methods in corpus linguistics/Méthodes actuelles en linguistique de corpus*. Lecture: *Classification problems in the analysis of textual data*.
- Padova, 21 September 2018. Conference *Percorsi di ricerca sociale: tecniche, metodi ed evidenze empiriche* [Social research ways: techniques, methods and empirical evidence], Dept. FISPPA. Lecture: *Le strutture di base dell'indagine sociale* [Basic structures of social survey];
- Rome, 12-15 June 2018: JADT 2018 – International Conference on Statistical Analysis of Textual Data. Papers:
 - o (with Michele Cortelazzo and George Mikros) *Profiling Elena Ferrante: a Look Beyond Novels*
 - o (with Valentina Rizzoli) *Bridge over the ocean: Histories of social psychology in Europe and North America. An analysis of chronological corpora*
 - o (with Stefano Sbalchiero) *What's Old and New? Discovering Topics in the American Journal of Sociology*;

- Wrocław, 5-8 July 2018: *International Quantitative Linguistics Conference Qualico 2018* organized by IQLA – International Quantitative Linguistics Association. Paper *The importance of being earnest (and average)*;
- Pisa, 13 March 2018: invited lecturer at *Istituto di Linguistica Computazionale* [Computational Linguistics Institute] “A. Zampolli” – CNR. Lecture: *Analisi di dati testuali in prospettiva temporale* [Analysis of textual data from a temporal perspective];
- Athens, 4-9 December 2017: *Department of Italian Language and Literature* – National and Kapodistrian University (UOA)
 - o invited lecture for students and lecturers of Italian studies *Tracing the Life-Cycle of Ideas through a Distant Reading of Scientific Literature*, 06/12/2017;
 - o public lecture *Authorship Attribution and Text Clustering: What is Elena Ferrante?* 08/12/2017.
- Padova, 8-9 November 2017: Seminars *A 100 anni dalla pubblicazione de Il Sacro di Rudolf Otto Il Sacro tra salute e salvezza* [100 years after Rudolf Otto's "Il Sacro" – Between health and salvation]. Lecture (with Stefano Sbalchiero): *For better or for worse, in sickness and in health. Salute, religione e spiritualità attraverso l'analisi delle parole* [Health, Religion and Spirituality through word analysis].
- Vienna, Austria, 28-29 September 2017: Workshop *Altmann-Piotrovskij law (APL)* – Institut für Slawistik, Universität Wien;
- Florence, Italy, 28-30 June 2017: *SIS2017 Statistical Conference Statistics and Data Science: new challenges, new generations.*
 - o chair in the plenary session *Big Textual Data: lessons and challenges for statistics* (speaker: Fionn Murtagh);
 - o discussant in the specialized session *Grabbing elusive populations and demographic behaviors by social media data*;
 - o presentation of the paper (written with Matilde Trevisani): *Knowledge mapping by a functional data analysis of scientific articles databases.*
- Padova, Italy, 26 June 2017: Conference *Tracing the Words of Philosophy. La filosofia statunitense e le sue parole: analisi qualitative e quantitative* [American Philosophy and its words: quantitative and qualitative analyses]. Talk: *Leggere il ciclo di vita delle idee attraverso l'analisi statistica di corpora scientifici* [Reading the words' life-cycle through the analysis of scientific corpora];
- Bologna, Italy, 13-15 June 2017: 5th ITALian Conference on Survey Methodology *Building Bridges* (ITACOSM). Presentation of the paper (written with Stefano Sbalchiero): *Web scraping, topics, time and classification: comparing methods.*
- Montpellier, France, 20 March 2017: Invited speaker. Talk: *Authorship Attribution and Text Clustering (who is Elena Ferrante?)*. Université Paul Valéry – Montpellier.
- Trieste, Italy, 1-2 December 2016: Conference *Language, Translation, Corpora: Comparing Research Methods and Traditions*, SSLMIT. Talk: *L'attribuzione d'autore e il caso Elena Ferrante. Metodi quantitative.*
- Trier, Germany, 24-28 August 2016: QUALICO2016 –Quantitative Linguistics Conference organized by IQLA – International Quantitative Linguistics Association.
 - o keynote speech: *Shaping the Life-Cycle of Ideas: The History of a Discipline through the Analysis of Keywords Counts in Scientific Literature*;
 - o presentation of the paper (written with Michele A. Cortelazzo, University of Padova, Paolo Nadalutti, and Stefano Ondelli, University of Trieste) *Authorship attribution and text clustering for contemporary Italian novels.*
- Nice, France, 7-10 June 2016: JADT2016 – International Conference on Statistical Analysis of Textual Data. Presentation of the paper (written with Matilde Trevisani, University of Trieste): *Analisi di dati testuali cronologici in corpora diacronici: effetti della normalizzazione sul curve clustering* [Analysis of chronological textual data in dischronic corpora: effects of normalization on curve clustering];
- Padova, Italy, 20-21 May 2015: XVI Workshop of the scholars of Business Management and Administration (WOA2015), *Back to basics: Searching for new forms of organizing*. Invited speaker of the short course: *Research methodology workshop*;

- Padova, Italy, 15 May 2015: Giornata in onore di Lorenzo Bernardi [Day in honour of Lorenzo Bernardi]. Presentation of the paper (written with Lorenzo Bernardi and Marisa Cemin) *La valutazione negli atenei pubblici italiani: Italiano, Storia e Geografia* [Evaluation in Italian Public Universities: Language, History and Geography];
- Siena, Italy, 25 February 2015: Ph. D. Invited Seminar *Analysis of Textual Data in Chronological Corpora*, Dipartimento di Economia politica e statistica, University of Siena;
- Olomouc, Czech Republic, 29 May – 1st June 2014: International Quantitative Linguistics Conference Qualico2014, 20th anniversary of IQLA and Journal of Quantitative Linguistics (JQL) foundation. Presentation of the paper (written with Reinhard Köhler, University of Trier): *History of words II - types of historical developments*;
- Palermo, 8-12 July 2013: 28th International Workshop on Statistical Modelling (IWSM), Dipartimento di Scienze Statistiche e Matematiche, University of Palermo. Presentation of the paper (written with Matilde Trevisani, University of Trieste): *Through the JASA's Looking-Glass, and What We Found There*;
- Beograd, Serbia, 26-29 April 2012: International Quantitative Linguistics Conference Qualico 2012, Structures and Processes in Language and Text: A Quantitative Linguistics Perspective. Presentation of the paper (written with Matilde Trevisani, University of Trieste): *Shaping the History of Words*;
- Liege, France, 13-15 June 2012: 11th International Conference on the Statistical Analysis of Textual Data, Jadt2012. Presentation of the paper (written with Michele A. Cortelazzo e Paolo Nadalutti): *Una versione iterativa della distanza intertestuale applicata a un corpus di opere della letteratura italiana contemporanea* [An iterative version of intertextual distance with application to a corpus of contemporary Italian novels];
- Rome, Italy, 20-22 June 2012: 46th Scientific meeting of the Italian Statistical Society. Presentation of the paper (written with Matilde Trevisani, University of Trieste): *Chronological analysis of textual data and curve clustering: preliminary results based on wavelets*;
- Syracuse (NY), 28 March 2012: Public Lecture *Grammar and Lexicon in Texts Written by Individuals with Autism in FC settings - Results from an Italian Interdisciplinary Research Program*, Newhouse 141 Communication Center III – 5 April 2012, Lecture for Graduate Students *Statistical Analysis of Textual Data: A New Perspective for Analyzing Written Communication Produced in FC Contexts*.

OTHER INSTITUTIONAL ROLES

- January 2019-current: President of the *Nucleo di Valutazione* [Evaluation Unit] of the University of Bologna "Alma Mater";
- June 2016-2018: Member of the *Nucleo di Valutazione* [Evaluation Unit] of the University of Bologna "Alma Mater";
- July 2015-current: Member of the *Nucleo di Valutazione* [Evaluation Unit] of the University of Padova;
- October 2012-current: *Deputy* of the Head of the Department of *Philosophy, Sociology, Education and Applied Psychology* for the management of Sociology buildings (Palazzo de' Claricini, University of Padova);
- September 2015-September 2017: *Deputy* of the Head of the Department of *Philosophy, Sociology, Education and Applied Psychology* in the Committee of the Center-East Pole of the University of Padova;
- 2008-current: Member of the Board of Professors of the Ph.D. School in *Social Sciences* (University of Padova);
- 2015: Member of the team of Scorers of TECO, National programme promoted by the National Agency for the Evaluation of Universities and Research Institutes (Anvur) for the assessment of generic skills of Italian undergraduates;
- 2014-2015: Member of the Evaluation Working Group (GAV) of the Bachelor and Master Degrees in Communication Studies (University of Padova);
- 2012-2015: Member of the *Board* of the Department of *Philosophy, Sociology, Education and Applied Psychology* (University of Padova);
- 2008-2015: Member of the Scientific Committee of area n.15 – *Scienze economiche e statistiche* [Economics and Statistics] of the University of Padova;

- 2013-2014: Member of the Selection Committee for the Major Equipments Programme of the University of Padova (CAT).
- 2013: Member of the team of Scorers of TECO, National programme promoted by the National Agency for the Evaluation of Universities and Research Institutes (Anvur) for the assessment of generic skills of Italian undergraduates;
- 2010-2012: Scientific Director of the bilateral agreement between University of Padova – Inter-Department Services and Research Centre “Giorgio Lago” and Regione Veneto – Corecom [Local Communication Authority of the Venetian Region];
- 2010-2012: *Deputy* of the Head of the Faculty of Political Studies of the University of Padova in the National Committee for the assessment of skills (national admission test) of the candidates/freshmen of Political Studies;
- 2010-2011: Member of the Rector’s *Working Group on Analysis of international universities rankings* (Coordinator: Luciano Gamberini, University of Padova);
- 2008-2011: *Deputy Director* of the Department of *Sociology* (University of Padova);
- 2008-2011: Deputy of the Head of the Faculty of Political Studies for the area: Evaluation of Research and Teaching activities (University of Padova);
- 2006-2011: Member of the Chancellor’s Working Group on *Follow-up – Survey on professional profiles of graduates of the University of Padova (Agorà Project)* (Coordinator: Luigi Fabbris, University of Padova);
- 2006: Deputy of the Rector in the National Committee of the Conference of Italian University Rectors (CRUI) for the evaluation of the *Censis-LaRepubblica Italian University Rankings* (Coordinator: Donatella Marsiglia, Centro Studi Fondazione CRUI);
- 2006-2009: *Deputy President* of the Bachelor and Master Degrees in *Communication Studies* (University of Padova);
- 2005-2008: Member of the Board of Professors of the Ph.D. School in *Sociology* (University of Padova).

BOARDS

- 2012-current: Member of the Editorial board of the *Journal of Quantitative Linguistics – JQL*;
- 2014-2018: President of the *International Quantitative Linguistics Association (IQLA)*;
- 2012-current: Member of the Council at large of the *International Quantitative Linguistics Association (IQLA)*;
- 2015-current: Member of the Scientific Committee of the *International School in analysis of textual data and text mining (ADT-TM)* of the *Italian Statistical Society*, Dip. MEMOTEF – University of Roma “La Sapienza”;
- 2010-current: Member of the Scientific Committee of the International Conference *Journées internationales d’Analyse statistique des Données Textuelles – JADT* (2008, 2010, 2012, 2014, 2016)

MEMBERSHIP

- S.I.S. Member of the Italian Statistical Society – *Società Italiana di Statistica* (since 1999);
- I.Q.L.A. Member of the *International Quantitative Linguistics Association* (since 2010):

REFEREE

- *Document Numérique*
- *Digital Scholarship in the Humanities – DSH*
- *Etnografia e Ricerca Qualitativa – ERQ*
- *Italian Journal of Applied Statistics – Statistica applicata – IJAS*
- *Information Processing and Management – IPM*
- *Interdisciplinary Journal of Family Studies – IJFS*
- *Journal of Autism and Developmental Disorders – JADD*
- *Journal of Computer Mediated Communication – JCMC*
- *Journal of the Association for Information Science and Technology – JAIST*
- *Journal of Multivariate Analysis – JMVA*
- *Journal of Public Health - JPH*
- *Journal of Quantitative Linguistics – JQL*

- *La Rivista delle Politiche sociali* – RPS
- *Psicologia della salute*
- *Public Opinion Quarterly* – POQ
- *Scientometrics* – SCIM
- *Statistical Methods and Applications* – SMA

- series *Studies in Classification, Data Analysis, and Knowledge Organization* – Springer

- International Conference AIUCD (2019)
- International Conference *Journées internationales d'Analyse statistique des Données Textuelles* – JADT (2008, 2010, 2012, 2014, 2016, 2018)
- International Conference of the *Italian Statistical Society* (Società italiana di statistica) – SIS (2012, 2014)
- International Conference *Quantitative Linguistics Conference* – QUALICO (2012, 2014, 2016, 2018)

- *European/International Doctoral Mention* of the Ph.D. thesis of dott. Albert Morales, *Estudi lexicomètric del vocabulari del procés d'aprovació de l'Estatut d'Autonomia de Catalunya* (2006) [Quantitative Lexical Studies of the Vocabulary of the Approval Process of the Independent Constitution of Catalunya], Universitat Pompeu Fabra of Barcellona;
- Ph.D. with International Label – thesis of dott. Pasquale Pavone *Un Método de Text Mining para la categorización Fuzzy de documentos* [Text mining for a fuzzy document clustering], Universidad de Málaga Facultad de Ciencias Económicas, Economía Aplicada (Estadística y Econometría) - (EAEEC).
- Ph.D. referee for two Ph.D. thesis, Doctoral Programme in *Istituzioni e Politiche*, Università Cattolica "del Sacro Cuore", Milano

- FWO/Polish Academy of Sciences – Referee for the evaluation of the project "Deep Learning in Computational Stylistics" from Professor Mike Kestemont (VS03519N) within the framework of the scientific cooperation agreement between FWO (Research Foundation – Flanders-Belgium) and the Polish Academy of Sciences (PAS-Poland).

SCIENTIFIC ASSOCIATIONS

- 1999-current: Member of the *Società Italiana di Statistica* [Italian Statistical Society]
- 2010-current: Member of the *International Quantitative Linguistics Association*
- 2018-current: Member of the *Associazione Italiana per gli Studi di Popolazione* [Italian Population Studies Association]

EDUCATION

- a.a. 1998-99: Doctoral Degree (Ph.D.) in *Statistica applicata alle scienze economiche e sociali* [Applied statistics for economics and social sciences], University of Padova, 24 February 2000. Supervisor: Lorenzo Bernardi, University of Padova.
- a.a. 1994-95: Laurea Degree (master's level degree) Magna cum Laude in *Scienze statistiche e demografiche* [Statistical sciences and Demography] – Faculty of *Scienze Statistiche* [Statistical sciences], University of Padova, 21st march 1996. Supervisor: Giuseppe Gangemi, University of Padova.

«ESAME DI STATO»

- Italian National Professional Qualification in Statistics (Abilitazione nelle discipline statistiche). Ministry of Education, University, and Research, 25 September 2000.

ASN – Abilitazione Scientifica Nazionale

- 30 Jan 2014: National Scientific Qualification to function as Full Professor of *Demography and Statistics for social sciences* in Italian Universities (Italian code and name of the field: 13/D3 – *Demografia e Statistica sociale*). This regulation of the Italian Ministry of Education, universities

and research (MIUR) defines a new procedure for the University Professor position recruiting, based on scientific qualification criteria.
